

DEALVEEL REPORT ABUSE POLICY

Effective Date: [Launch Date]

Last Updated: [Date]

At Dealveel, we are committed to maintaining a safe, trustworthy and reliable marketplace. If you come across any listing, account or activity that appears fraudulent, misleading or violates our policies, we encourage you to report it.

This Report Abuse Policy explains how Users can report suspicious content and how Dealveel handles such reports.

1. What Can Be Reported?

You may report any listing, account or activity that you reasonably believe violates the Dealveel Terms & Conditions, Community Guidelines or applicable law.

Examples include:

- Fake property listings
 - Fake ownership claims
 - Duplicate listings
 - Misleading descriptions
 - Incorrect property location
 - False pricing
 - Spam listings
 - Copyright infringement
 - Impersonation
 - Fraud or scam attempts
 - Offensive or abusive content
 - Illegal goods or services
 - Suspicious user behaviour
 - Any other policy violation
-

2. How to Report Abuse

Users may report abuse by:

- Clicking the **"Report Listing"** button available on the listing page;
- Using the reporting option available within the Platform;
- Contacting Dealveel through the official support email.

Support Email: info@navpragytechnology.com

Users should provide accurate information while submitting a report.

3. Information to Include

Where possible, reports should include:

- Listing ID or URL
- Reason for the report
- Description of the issue
- Screenshots or supporting evidence (if available)
- Any additional information that may assist the review

Providing complete information helps us investigate more effectively.

4. Review Process

Upon receiving a report, Dealveel may:

- review the reported listing or account;
- request additional information;
- temporarily restrict visibility of the listing;
- remove the listing;
- suspend or terminate the account;
- take any other action considered appropriate under the Dealveel Terms & Conditions.

Dealveel reviews reports in good faith but does not guarantee that every reported listing will be removed.

5. No Guarantee of Immediate Action

Submitting a report does not guarantee:

- immediate removal of the listing;

- suspension of the Seller;
- a particular outcome.

Each report is evaluated based on the information available.

6. False or Malicious Reports

Users must not intentionally submit false, misleading or malicious reports.

Knowingly filing false reports to harass other Users or manipulate listings may result in action against the reporting User, including suspension or termination of the account.

7. Confidentiality

Dealveel generally treats reports confidentially.

However, information relating to reports may be used:

- to investigate the matter;
 - to enforce our policies;
 - to comply with applicable law;
 - to cooperate with competent authorities where legally required.
-

8. Cooperation with Authorities

Where required by applicable law or pursuant to a lawful request, Dealveel may cooperate with government agencies, law enforcement authorities or courts in relation to reported unlawful activities.

9. Our Role

Dealveel is an online technology marketplace.

Dealveel does not investigate ownership disputes, contractual disagreements or civil disputes between Buyers and Sellers.

Our review is generally limited to determining whether a listing or account appears to violate our Platform policies or applicable law.
