

DEALVEEL BUYER DISCLAIMER

Effective Date: [Launch Date]

Please read this Buyer Disclaimer carefully before contacting a Seller or entering into any transaction through Dealveel.

1. Platform Role

Dealveel is an online technology marketplace that enables Buyers and Sellers to connect.

Dealveel does not own, buy, sell, broker, inspect, verify or guarantee any property, vehicle or other item listed on the Platform.

Dealveel is not a party to any transaction between Buyers and Sellers.

2. Listing Information

All listing information available on Dealveel, including but not limited to:

- Property descriptions
- Images
- Videos
- Prices
- Measurements
- Location details
- Ownership claims
- Amenities
- Contact information

is provided directly by the respective Seller.

Dealveel does not independently verify the accuracy, authenticity or completeness of such information.

3. Buyer Verification Responsibility

Before making any decision, payment or agreement, Buyers should independently verify all relevant information, including:

- Ownership of the property or item

- Identity of the Seller
- Legal title and supporting documents
- Property measurements
- Physical condition
- Location
- Government approvals (where applicable)
- Any other information relevant to the transaction

Where appropriate, Buyers should seek independent legal, technical or financial advice.

4. Inspection

Dealveel strongly recommends that Buyers personally inspect the property or item before entering into any agreement or making any payment.

Do not rely solely on photographs, videos or online conversations.

5. Payments

Dealveel does not collect or process payments between Buyers and Sellers.

Buyers are strongly advised:

- Never send advance payment or token money without proper verification.
- Never transfer funds based solely on online communication.
- Use caution while dealing with unknown persons.

Any payment made is entirely at the Buyer's own discretion and risk.

6. No Guarantee

Dealveel does not guarantee:

- Ownership of any listed property or item;
 - Accuracy of listing information;
 - Successful completion of any transaction;
 - Availability of any listing;
 - Quality, legality or suitability of any property or item.
-

7. Disputes

Any dispute arising between a Buyer and a Seller shall be resolved directly between those parties.

Dealveel is not responsible for mediating or resolving disputes and is not liable for any loss, damage or claim arising from transactions between Users, except where liability cannot be excluded under applicable law.

8. Report Suspicious Listings

If you believe that a listing is fake, misleading, fraudulent or otherwise violates Dealveel policies, please report it immediately using the **"Report Listing"** feature or contact us at:

Email: info@navpragytechnology.com

9. Acceptance
